These are the principles of which Highlands Heat Soccer Club feel our parents should abide by whilst being part of our club. The coaches that we hire coach for the love of the game of soccer and also because they have the players best interest at heart. The coaches are our soccer professionals, they know about soccer, please let them do their job and they will let you do yours...parenting.

If you have any complaints about any other parents, your coach or manager, please address the issue with them, if you do not feel that they have satisfactorily dealt with the problem then bring your problem to the Director of Coaching.

Please understand that the coach has the power to ask any parent to leave the game or practice at their discretion. If a parent is a continuous problem, then further action will be taken by the Chairman or Director of Coaching, this may include being suspended from tournaments, games and practices or any other team activities.

Please do not spoil the kids' enjoyment by thinking you know more than the coach. Soccer is an enjoyable game, and should be enjoyed by all in attendance.
